

Franklin County AMVETS Post 201  
Meets each month on the third Thursday  
In the Lake Royale POA Annex

The Flag Pole Memorial Project at the entrance to Lake Royale is an effort of Post 201. Post 201 has several fundraisers to support this project. One is the sale of memorial pavers at \$45 each. The individual memorialized does not have to be military veteran. Engraving on the pavers costs between \$12 (minimum of twenty pavers) and \$18 (less than twenty) depending on the number given to the engraver for engraving. The balance goes into the project fund.

Other fundraisers are hotdog sales at various times of the year. The next fundraiser will be after the 4<sup>th</sup> of July parade. The parade begins at 10AM at the front gate and ends at the clubhouse on Saturday July 2.

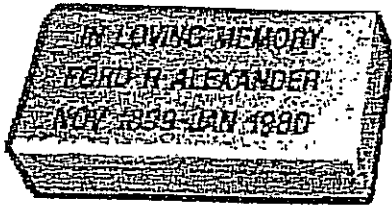

Several questions are always asked and are appropriate.

1. When a paver form and check are turned in, when can a person expect to see their engraved paver in the memorial? Paver forms will be processed for engraving quarterly or when the number on hand exceed twenty (see above).

2. When can people expect to see completion of the Memorial?

Phase one will be completed when we concrete the stone around walkway and at the base of the walkway and set a base around the square around the flagpole. The paver cracks can then be sanded in. (This will allow the Beautification Committee to do the landscaping.) This should occur before the 4<sup>th</sup> of July parade.

Phase two with walls around the square will be completed when adequate funds are available.

## Order Form

Memorial Paver Brick for Lake Royale Flag Pole

Instructions: You may have up to three lines of 17 Characters each. Spaces and punctuation are counted in the 17 character total per line. Please print clearly-

Make your Tax Deductible Check or MONEY ORDER in the amount of \$ 45.00 payable to "AMVETS Post 201 Flagpole Project".
